Revised 01/06

### **House of New Hope STANDARDS OF CONDUCT: Employee and Contractor/Provider Compliance with MEPA and Title VI of the Civil Rights Act of 1964 Effective February 1, 2005**

House of New Hope has established the following Standards of Conduct with regard to the performance of employees and contractors/providers related to compliance with the Multiethnic Placement Act of 1994 as amended by Section 1808 of the Small Business Job Protection Act of 1996, 42 U.S.C. 622(b)(9), 71(a)(18), 674(d) and 1996(b) (MEPA) and Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, et seq (Title VI), as they apply to the foster care and adoption process. These Standards of Conduct prohibit policies, procedures or actions which serve to:

- Deny any person the opportunity to become a foster caregiver or an adoptive parent on the basis of race, color or national origin of that person, or of the child involved; or
- Delay or deny any placement of a child in foster care or for adoption on the basis of the race, color or national origin of the foster caregiver(s), of the adoptive parent(s) or of the child involved.

**Permissible Actions:**

MEPA and Title VI permit the following actions as they apply to the foster care or adoption process:

1. Asking about and honoring any initial or subsequent choices made by prospective foster or adoptive parents regarding what race, color, or national origin of child the prospective foster or adoptive parents will accept.
2. Honoring the decision of a child twelve years of age or older to not consent to an adoption when that decision has been approved by a court pursuant to section 3107.06 of the Ohio Revised Code.
3. Providing information and resources about fostering or adopting a child of another race, color or national origin to prospective foster or adoptive parents who request such information and making known to all families that such information and resources are available.
4. Considering the request of a birth parent(s) to place the child with a relative or non-relative identified by name.
5. Considering the race, color or national origin of the child as a possible factor in the placement decision when compelling reasons serve to justify that race, color or national origin need to be a factor in the placement decision pursuant to 5101:2-48-13 and 5101:2- 42-18.1 of the Ohio Administrative Code. These rules permit consideration of race, color or national origin if an Individualized Child Assessment (JFS 01688) completed pursuant to these rules indicates the child has needs related to race, color or national origin that should be taken into account when placing the child. Even when the facts of a particular case allow consideration related to race, color, or national origin, this consideration shall not be the sole determining factor in the placement decision.
6. Promoting cultural awareness, including awareness of cultural and physical needs that may arise in the care of children of different races, ethnicities, and national origins as part of the Employee Handbook – Revision 1/2008

training which is required of all applicants who seek to become foster or adoptive parents.

7. Documenting verbal comments, verbatim, or describing in detail any other indication made by a prospective foster or adoptive family member living in the household or any other person living in the household reflecting a negative perspective regarding the race, color or national origin of a child for whom the prospective foster or adoptive family has expressed an interest in fostering or adopting. The documentation shall indicate whether those comments were made before or after completion of the cultural diversity training which is required for all foster and adoptive applicants. Documentation shall be included in the family's homestudy, update, or an addendum to the homestudy or update prior to consideration of placement or a matching conference. A matching conference is the process of determining the most appropriate adoptive family for the child based on the child's special needs. The matching committee may consider the information in determining if the placement is in the child's best interests.

**Prohibited Actions:**

MEPA and Title VI prohibit the following actions as they apply to the foster care or adoption process:

1. Using the race, color or national origin of a prospective foster or adoptive parent to differentiate between placements.
2. Honoring the request of a birth parent(s) to place a child with prospective foster or adoptive parent(s) of a specific race, color or national origin, unless the birth parent(s) identifies a relative or non-relative by name and that person is found to meet all relevant state child protection standards, provided that the agency determines that the placement is in the best interests of the child.
3. Requiring a prospective adoptive family to prepare or accept a transracial adoption plan.
4. Using "culture" or "ethnicity" as a proxy for race, color or national origin.
5. Delaying or denying placement of a child based upon the geographical location of the neighborhood of the prospective foster or adoptive family whenever geography is being used as a proxy for:
  - the racial or ethnic composition of the neighborhood;
  - the demographics of the neighborhood; or
  - the presence or lack of presence of a significant number of persons of a particular race, color, or national origin in the neighborhood or any similar purpose.
6. Requiring extra scrutiny, additional training, or greater cultural awareness of individuals who are prospective foster or adoptive parents of children of a different race, color or national origin than required of other prospective foster or adoptive parents.
7. Relying upon general or stereotypical assumptions about the needs of children of a particular race, color or national origin.
8. Relying upon general or stereotypical assumptions about the ability of prospective foster or adoptive parents of a particular race, color or national origin to care for or nurture the sense of identity of a child of another race, color, or national origin.
9. "Steering" prospective foster or adoptive parents away from parenting a child of another race, color, or national origin. "Steering" is any activity that attempts to discourage prospective foster or adoptive parents from parenting a child of a particular race, color or national origin.

10. Requiring an ongoing, foster care or adoption worker or contractor to justify a proposed placement for the reason that the race, color or national origin of the child is different from that of the family whom the worker is proposing as the child's foster caregiver or adoptive parent.
